The accommodation of athletes, trainers and coaches takes place in a school. The accommodation of the representatives of your city takes place in a hotel. If the sports clubs etc. want to have another accommodation, it is possible at his own expense. Costs of accommodation and meals on site, we assume, you would only pay for the travel costs.

Beside the final event of the country's youth sports games, the beach and Island Festival at this weekend also takes place, under which various activities such as live music, puppet and magician performances, a spectacular Neptune Festival and much more are offered.

I beg you, until you get more information on age classes in the respective sports, to inform your sports clubs- and communities, but also schools about this announcement. Maybe there are young sportsmen and athletes who are interested to take part in this event.

For questions, please contact Ms. Klietz, iklietz@schwerin.de, phone +49 385 545 1031, she is of course always available. I am looking forward to hear soon from you and remain till the last voting in the state capital Schwerin

with best regards

Angelika Gramkow
Lord Mayor of Schwerin
